

## APPLICATION FORM

## GIFT Power Company Limited

APPLICATION FOR: Providing Grid Connectivity to proposed Solar Project

### Details of Applicant

Name of Consumer:						
Consumer No.:		Tariff Category:		Contract Load:		kW/kVA
Name of the Developer of the Solar project:						
Address of proposed project location: _____						
Name and Designation of Authorized Person:						
E-mail:						
Mobile No.:			Landline Tel. No.:			
Applicant Type						
<input type="checkbox"/> Public Ltd.	<input type="checkbox"/> Pvt. Ltd.	<input type="checkbox"/> Partnership	<input type="checkbox"/> Proprietary	<input type="checkbox"/> Govt. Dept.	<input type="checkbox"/> Reg. Trust	<input type="checkbox"/> Co-operative Society
PAN No. :			GST No. :			
Ownership of the premises where Solar Project is proposed to be installed						
<input type="checkbox"/> Owner	<input type="checkbox"/> Joint Owner	<input type="checkbox"/> Lease	<input type="checkbox"/> Tenant			

### Details of proposed Project:

Registration no. of GEDA:						
Approval No. of Chief Electrical Inspector (CEI):						
Capacity of Solar Project:			Proposed date of commissioning:			
Type of Solar Power Project: <input type="checkbox"/> Rooftop <input type="checkbox"/> Ground Mounted						
End use of solar generated electricity						
<input type="checkbox"/> Captive consumption	<input type="checkbox"/> Sale to GIFT Power	<input type="checkbox"/> Sale to Third Party	<input type="checkbox"/> RPO Compliance			
Project registered under REC mechanism			<input type="checkbox"/> Yes	<input type="checkbox"/> No		
Energy Settlement option						
<input type="checkbox"/> a) Consumer utilizes only 'energy attribute'.						
<input type="checkbox"/> b) Consumer utilizes the 'energy attribute' and not registered under REC mechanism.						
<input type="checkbox"/> c) Consumer utilizes the 'energy attribute' and utilize the 'renewable attribute' for RPO compliance.						
<input type="checkbox"/> d) Consumer utilizes the 'energy attribute' and utilize the 'renewable attribute' for REC.						
Details of existing capacity of solar project in the premises:						
Details of existing capacity of any other power generating source in the premises:						
Details of power availing through Open Access:			<input type="checkbox"/> STOA	<input type="checkbox"/> MTOA	<input type="checkbox"/> LTOA	<input type="checkbox"/> NA

I \_\_\_\_\_ (authorized representative of \_\_\_\_\_) declare that the information filled in the application form is true and correct to my knowledge. GIFT Power Company Limited is not responsible for any loss of generation due to failure or non-performance of any part of the Solar PV system. I assure that the Operation & Maintenance, security & safety and cleaning of the Solar PV system is sole responsibility of the applicant only. I have read and understood and shall abide by the provision of the Gujarat Solar Power Policy-2021 vide Government of Gujarat Gr. No. SLR/11/2020/77/B1 dated 29.12.2020 and relevant regulations of CEA and GERC.
